

## Dr. Raj Nathan

### Executive Vice President, Chief Marketing Officer and Head of Mobile Applications

#### Sybase, Inc.

#### EXECUTIVE BIOGRAPHY

As executive vice president and chief marketing officer at Sybase, an SAP company, Dr. Raj Nathan is responsible for setting the technology direction and all marketing initiatives for Sybase and its subsidiaries. He also heads the SAP Mobile Applications Group, which develops new, innovative mobile applications, extending the company's leadership in enterprise mobility.

Prior to his current position, Dr. Nathan served as senior vice president of Sybase's Information Technology Solutions Group. Under his leadership, Sybase continues to be recognized for visionary technology that meets the direct needs of customers and partners.

Dr. Nathan's work experience has taken him around the globe, and has run the gamut from hardware to software, and from large companies to small including Unisys and Siemens Pyramid. Before entering private industry, Nathan spent many years in academia as an educator.

Dr. Nathan earned his doctorate and master's degree from Iowa State University, and a bachelor's degree from the University of Madras, in India.
